

The book cover features a purple background with a large, glowing yellow and orange circular light source in the center, framed by a dark blue, wavy border. Two yellow curtains hang from a dark purple rod at the top. In the foreground, a white dog with a blue collar is shown from the back, looking towards the light. To the right of the dog is a small green succulent in a dark blue pot, both resting on a purple circular platform.

Chucho likes to be outside.

Let's go!
Let's go! Let's go!

Spending the day with
my best friend!

All of this fun will
never end!

But things are different now.

Now, Chucho is stuck inside.

He tries to have fun inside.

Chucho.
I know what you need.

Friend!

Friend?

Okay.
No more toys.

He tries watching TV.

What is this loud box?

Last time on Strangers Getting Married...

GASP!

... 'It's like I don't even know you!'

I don't get it.

A close-up illustration of a hand with a grey, scaly texture turning a dark grey door handle on a purple wood-grain door. A bright yellow starburst shape is positioned above the handle, containing the word 'CLICK!' in red, serif, all-caps font. The background is a soft gradient from light yellow to light purple.

CLICK!

A fluffy pink dog with a blue collar stands in a doorway, looking confused. Its right paw is raised towards the door handle. A white speech bubble above the dog contains the word 'What?'. The room behind the dog is dark, and the floor is light purple with a shadow cast by the dog.

What?

I'm outside!

Out in the sun!

Run with my friends!

Roll in the mud!

An illustration of two dogs, one white with a blue collar and one black and white, lying on a dark mat in a purple field. A large yellow sun is in the background. A speech bubble is positioned above them.

I found you!

Maybe Chucho likes being inside too.

Chucho, I know what you need.

The End
